

MMS LEGISGRAPH—107TH CONGRESS
December 2001

Endangered Species Act Reauthorization							
LEGISLATION	INTRODUCED BY	COMMENTS	HEARINGS	MARKUP	REPORTED	PASSED	PUBLIC LAW
Senate							
S. 347	Thomas 2/15/01	To improve the process for listing, recovery planning, and delisting species					
House							

Oceans / Coastal Zone Legislation							
LEGISLATION	INTRODUCED BY	COMMENTS	HEARINGS	MARKUP	REPORTED	PASSED	PUBLIC LAW
Senate							
S. 328	Snowe	Reauthorizes the CZMA through 2006; introduced and placed directly on the Senate Calendar for action					
S. 637	Snowe	Magnuson-Stevens Fishery Management and Conservation Act reauthorization					
S. 937	Wyden	Magnuson-Stevens reauthorization					

Oceans / Coastal Zone Legislation

House							
H.R. 897	Saxton	Reauthorizes the CZMA	5/24/01 Sub.				
H.R. 2570	Farr	Magnuson-Stevens Fishery Management and Conservation Act reauthorization (issue concerning essential fish habitat). "Fisheries Recovery Act"					
H.R. 2272	Kirk	Coral Reef Protection---allows developing countries to initiate a debt for nature swap aimed at protecting the world's coral reefs. \$10 million/year for 4 years.				Passed House 10/16/01	

OCS Moratoria							
LEGISLATION	INTRODUCED BY	COMMENTS	HEARINGS	MARKUP	REPORTED	PASSED	PUBLIC LAW
Senate							
S. 771	Graham	Places a permanent leasing moratoria on all OCS areas offshore Florida; makes changes to current leasing and post-lease processes under the OCSLA; authorizes \$90 million for the Secretary to buy back 93 existing leases located off Florida in EGOM—including the 11 Destin Dome #56 leases.	7/12/01 Department testifies that the bill is not needed				
S. 901	Boxer 5/16/01	Would prohibit OCS leasing activity offshore those coastal States that did not allow oil and gas activity in State waters.	7/12/01 see above				
S. 1086	Corzine	Permanent leasing ban for the Mid and North Atlantic OCS planning areas	7/12/01 see above				
H.R. 2217 (Senate version)	Byrd	FY 02 DOI Appropriations: Senate version also contained rollover OCS moratoria in effect since FY 98. On floor, Senator Nelson amendment to delay Sale 181 EGOM was defeated by a 67-33 vote. Senator Kerry amendment to add a preleasing ban to moratoria section describing Presidential withdrawal areas was accepted.					
House							
H.Con. Res. 136	Capps	Expresses a sense of the Congress that the current moratorium on new oil and gas leasing should be maintained.					
H.R. 262	Cunningham	Moratorium on leasing activities offshore California until at least 2007; and prohibits the approval of OCS exploration or development plans until certain conditions are met.					
H.R. 273	Goss	Moratorium on leasing activities offshore Florida until certain conditions are met (but at least until 2007); and prohibits the approval of OCS exploration/development plans until certain conditions are met.					

OCS Moratoria							
H.R. 1066	Capps	Moratorium on OCS leasing offshore any State that has a moratorium in adjacent State waters.					
H.R. 1503	Pallone	Permanent moratorium on leasing in the Mid Atlantic OCS planning area					
H.R. 1631	Scarborough	Companion bill to S. 771 (see above)					
H.R. 2217	Skeen	FY 02 DOI Appropriations bill. Contained rollover moratoria in effect since FY 98. On House Floor, Reps. Scarborough/Davis got an amendment added that would delay Sale 181 EGOM until April 1, 2002, by a 247-164 vote. Senate floor action—Nelson amdt (identical to Davis) tabled (failed) on a 67-33 vote. Kerry amdt. to add word “preleasing” to section 107 moratoria language passed as part of managers amendment. Conference action—Sale 181 language unchanged from FY’01, Kerry language stays in bill.			H.RPT. 107-103; S. RPT. 107-34	10/17/01 CONF. REPORT (H.RPT. 107-234) PASSES HOUSE AND SENATE	
H.R. 2285	LoBiondo	Permanent moratorium on leasing offshore New Jersey					
H.R. 2318	Pallone	Permanent OCS leasing moratorium in both the Mid and North Atlantic planning areas					

Comprehensive Energy Legislation							
LEGISLATION	INTRODUCED BY	COMMENTS	HEARINGS	MARKUP	REPORT ED	PASSED	PUBLIC LAW
Senate							
S. 388/389	Murkowski	Republican Energy legislation—among other things proposes RIK language; a deep water royalty relief program; and an arctic incentives program	7/12/01 series of hearings				
S. 597	Bingaman	Democratic Energy Legislation—among other things mandates that the Secretary hold Sale 181 EGOM, but that the tracts nearest Florida and Alabama be deleted from the sale (ie, the “stovepipe area”).	7/12/01 series of hearings	Markup started in Aug. but in Oct. Daschle cancels further			

Comprehensive Energy Legislation

S. 1480	Bingaman	Energy Infrastructure Security legislation—affects dams, hydroelectric facilities and Federal lands	10/09/01 SENR	markups			
S. 1529	Landrieu 10/10/01	Establishes within the Homeland Security Office a national Energy Infrastructure Security Program funded from 50 percent of OCS oil and gas revenues. 70% of Fund goes to DOE for all states to improve infrastructure security; 30% goes to 7 OCS producing states for coastal energy facility security activities. 60% of those funds are shared equally--40% based on proximity to OCS production. Note: funds can be spent to restore LA. Wetlands as well as on activities that are needed to maintain safety and operation of energy infrastructure (ie. Port Fourchon road). Trust fund auth. For 10 years.					
S. 1766	Dashle and Bingaman 12/04/01	Democratic Energy Bill—"The Energy Policy Act of 2002." Contains an OCS subsalt provision; mandate to fill SPR with, among other things, RIK oil; and a OCS Infrastructure Security Program funded from OCS revenues (\$450 million/year thru 2008)—monies to be used by 7 coastal States to provide security from hostile and natural threats, including wetland protection					
House H.R. 4	Tauzin	Comprehensive Energy legislation; combined 4 separate energy bills into one (HR. 2587, 2436, 2460, and 2511). Bill contains a modified version of H.R. 2436 as passed out of Resources Committee—the modification was on DWRRA provision. Compromise: no royalty relief in 200-400 meters, and only 5 mmboe relief/lease in 400-800 meters; 9 mmboe/lease in 800-1600 meters; 12 mmboe/lease in greater than 1600 meters; program for 2 years. See HR 2436 below for more information.				8/1/01 House Floor, passes 240-189 NOTE: Sen. Inhofe tries to attach HR	

Comprehensive Energy Legislation

H.R. 2436	Hansen	Energy Security Act: includes 1) DWRR provisions from 200 meters out using old numbers in DWRRA of 1995 for 200-800 meters and DOI discretionary numbers for greater than 800 meters; 2) report on GOM field size distribution and recommendations on how to increase GOM oil and gas production; 3) subsalt lease provision; and 4) RIK provision. See HR 4 for further action.	7/11/01 Full	7/17 Full	H. Rpt. 107-160 part I	4 to DOD auth. Bill. Cloture votes fails 0-100; Dec. 3, HR 4 attached to Railroad bill-cloture fails 1-94	
Democratic Energy Bill Alternative	Rahall	Never introduced as a formal bill but was offered as a substitute amendment to HR. 2436 at Committee markup. Included: 1) moratoria until 2012 for all OCS areas under Administrative withdrawal; and 2) royalty fairness provision aimed at underreporting (old Miller legislation from 106 th Congress. Did NOT include RIK, DWRRA provisions or a subsalt provision. Substitute amendment failed along party lines.					
H.R. 2756	Hall	Funding for Ultra Deep Water Research (note: provision incorporated into HR 4)					
H.R. 2925	Calvert	Energy Infrastructure Security legislation—companion to S. 1480	10/03 Full	10/03 Full		10/23 House Suspend Rules	

OCS Impact Assistance-Related Legislation							
LEGISLATION	INTRODUCED BY	COMMENTS	HEARINGS	MARKUP	REPORTED	PASSED	PUBLIC LAW
Senate							
S. 1318	Landrieu 8/2/01	Conservation and Reinvestment Act--\$1 billion for an impact assistance program; \$3.125 billion total for all programs. Companion legislation to H.R. 701.					
S. 1328	Murkowski 8/2/01	Impact assistance legislation—27 percent of OCS oil and gas revenues go to the program. Weighted to producing states.					
S. 1529	Landrieu 10/10/01	See description under “Comprehensive Energy Legislation” heading—National Energy Infrastructure Security Fund					
S. 1766	Bingaman 12/04/01	See description under comprehensive energy legislation heading--\$450 million/year through 2008 for 7 coastal states to implement approved energy security plans					
House							
H.R. 701	Young	CARA legislation that is similar to legislation passed by the House of Representatives in the 106 th Congress; among other things, proposes \$1 billion/year to eligible coastal States for establishing an OCS impact assistance program.	6/20/01 Full	7/25/01 Full Comm. passed by 29-12 vote (Repub. Voted against)			
H.R. 2475	Rohrabacher	OCS impact assistance program to provide funds in FY 02 and thereafter to impacted State and county governments to mitigate impacts of OCS development. Note: to receive funds, States must annually enact legislation to provide any permits required for onshore facilities necessary to support OCS development in adjacent offshore areas.					

Minerals Revenue Management Program – Legislation

Minerals Revenue Management Program – Legislation							
LEGISLATION	INTRODUCED BY	COMMENTS	HEARINGS	MARKUP	REPORTED	PASSED	PUBLIC LAW
<i>Senate</i>							
<i>House</i> House Resolution 250	Barton	Sense of Congress that SPR should be filled to capacity				Passed House by UC 10/9/01	

Minerals Revenue Management Program – Legislation							

Miscellaneous C Legislation of Interest							
LEGISLATION	INTRODUCED BY	COMMENTS	HEARINGS	MARKUP	REPORTED	PASSED	PUBLIC LAW
Senate							
S. 235		Pipeline Safety legislation				2/08/01 Senate	
S. 301	Thomas	Would require Federal agencies to work closely with State and local entities when preparing EIS's.					
S. 815	Murkowski 5/2/01	Amendments to the Arctic Research and Policy Act of 1984					
House
